Class of Contract ²	Class 1	

¹ Includes any other private sector entity in which the Contractor has an interest, that will be involved in carrying out any of the Contractor's obligations under the Contract.

² **Class 1 Contracts** - An agency is to keep a register of government contracts (its government contracts register) that records information about each government contract to which the agency is a party that has (or is likely to have) a value of \$150,000 (including GST) or more (*class 1 contracts*). **Class 2 Contracts** are those over \$150,000 and where generally there has not been a tender process or the proposed contract has been substantially negotiated with the successful tenderer (s.30 of the GIPA Act) **Class 3 Contracts** are those Class 2 contracts with a likely value over \$5 million dollars (s.31 of the GIPA Act).
