Notice is hereby given that Parkes Shire Council has received Development Application No: DA2023/0016 from Parkes Shire Council for the proposed development of an Extractive Industry (Quarry) on land known as Lot 1 DP 206766, Mordialloc 465 Bruie Plains Road, Trundle.

Any interested person may, within the aforementioned period, make written submission to the Parkes Shire Council with respect to such proposed development. If your comments are an objection, then the grounds of the objection must be specified.

Any submissions that you wish to make on this proposal may be included without alteration (including names and addresses) in reports that are available to the public, in Council business papers (which are published on Council's website) and also made available to the applicant for comment during consideration of the development application. Anonymous submissions may be given less (or no) weight in consideration of the proposal.
